Dear Greg,

Every once in a while, a homeowner discovers and engages a professional who lives up to and, in your case, exceeds expectations. Your project on our home's interior painting confirms our best hope. The four "E's" are how we feel about your fine skills and the results to our home:

1. Excellence
2. Experienced
3. Efficient, and beyond
4. Expectations!

Well done! On time and outstanding! You and John are to be praised for all that you have accomplished for us. Thank you and we stand ready to recommend you to all here on the Main Line, now and in the future.

Sincerely,

Lloyd and Lee Reynolds
